Sponsorship Opportunities

Guadalupe River Park Conservancy envisions an active, iconic, world-class Civic Greenway in Downtown San Jose encompassing gardens, trails, and parks where residents and visitors alike can experience open space and natural habitats in the heart of Silicon Valley. The Conservancy is leading the march towards redevelopment, activation, and stewardship of the park and gardens, with the aim of building a lasting park for the ages.

Please join us for Window on the River Park as we celebrate past accomplishments with an eye looking towards becoming the premier urban riverfront park of the Bay Area.
